

# 5 JHAR GIRLS (I) COY NCC, DHANBAD

**S.S.L.N.T Mahila Mahavidyalaya, Dhanbad**

## About National Cadet Corps (NCC)

Youth is a phase characterized by an abundance of energy among adolescents. It is crucial to ensure that this tremendous energy is directed towards a productive path, resulting in significant outcomes that benefit not only the individuals themselves but also the society to which they belong. This is precisely achieved through the National Cadet Corps (NCC). Youngsters from all corners of our nation willingly join the NCC.

With Unity and Discipline as its core principles, the NCC inspires its cadets to enhance their physical strength, develop their personalities, and cultivate the qualities of an ideal citizen simultaneously.

After three years of being a part of this organization, each cadet reflects upon their journey and realizes how well-prepared, confident, strong, and determined they have become. The NCC is not just an ordinary organization; it is a place where diverse personalities unite under the common spirit of Khakhi.
